Publishing Agreement

concluded between ........................................................
(the AUTHOR(s)) on the one side, and the János Bolyai Mathematical Society (the PUB-
LISHER) on the other side. The AUTHOR hereby authorises the PUBLISHER to use the
scientific paper of title
........................................................................................... written by the AUTHOR for publica-
tion in the journal Combinatorica.

The PUBLISHER is entitled to publish an unlimited number of copies of the above
mentioned work in a professional review of the PUBLISHER’s own edition, and to authorise
repeated publication of the same in another review, for the duration of this contract.

The AUTHOR authorises the PUBLISHER under the present contract to prepare an
unlimited number of foreign language publications of the above mentioned work.

The PUBLISHER is authorised to conclude sub-licensing agreements concerning the
above mentioned work.

The present contract is for an indefinite period, which may be terminated by providing
a one-year period of notice.

The AUTHOR is entitled to 50 free reprint copies of the article.

The AUTHOR warrants that the manuscript is the AUTHOR’s original work and
authorisation of its publication does not violate anyone’s rights. (If excerpts of copyrighted
works included, the AUTHOR has obtained or will obtain written permission from the
copyright owners and cite such sources in his or her own work.) The AUTHOR also
warrants that the article contains no libellous or unlawful statements.

If the said work was prepared jointly, the AUTHOR agrees to inform all coauthors of
the terms of this agreement and to sign on their behalf.

Signature of AUTHOR ............................................

Date ..........................................

Please, return this agreement signed with the galley proofs; this agreement is
a condition of the publication.
