In FP7, there are different methods for calculating indirect costs. The various options are explained in the guidance notes

** . Please be aware that not all options are available to all types of organisations.

The method of determining indirect costs is set in the Proposal setup page.

If you would like to modify this information, you have to do it from the proposal set-up page.

Actual indirect costs calculated using a simplified method

My legal entity is established in an ICPC

and I shall use the lump sum funding method

(If yes, please fill below the lump sum row only.

If no, please do not use the lump sum row)
